The background of the slide is a blurred image. On the left side, there is a blurred screenshot of a website. It features a header with navigation links, a main content area with a large illustration of a city skyline and trees, and a sidebar with a list of items. On the right side, there is a blurred map of a city street grid with various colored markers (yellow, green, blue) indicating specific locations. The text "MERCI POUR VOTRE ATTENTION!" is centered over the map area.
